BULLETIN BOARD

Youth Council Helps To Aid Stricken Girl

Dianna Farnsworth presents \$538 check to Lori Ann Merrill. Money was raised by ward youth.

Shortly after Lori Ann Merrill, of the Denver 15th Ward, Denver South (Colo.) Stake, was stricken with a partially blinding and paralyzing illness, the Bishop's Youth Council of the ward met to discuss what they could do to help with the tremendous medical expenses building up.

The result was a special Lori Ann Merrill Benefit Smorgasbord that raised \$538. Other groups contributed an electric typewriter, a special wheelchair, a portable television and more cash.

Administration of the priesthood and medical skills have brought a gradual recovery to Lori Ann.
