Long ago, people celebrated spring as a time of new life. Flowers bloomed, baby animals were born, and the world felt fresh again. That's how the Easter Bunny came to be—a happy helper who reminds us of new beginnings.

The Easter Bunny loves to share joy. Every year, he gets ready for Easter by painting eggs in bright colors. He knows eggs are special because they remind us of life starting fresh.

On Easter morning, the Bunny hides the eggs in gardens and parks. Children laugh and run as they search for the hidden treasures. It's a game full of happiness and hope.

But Easter is more than eggs and candy. The Bunny knows the real reason we celebrate: Jesus rose from the tomb! He was resurrected after three days, meaning He came back to life. That's the greatest gift of all.

Eggs remind us of this miracle. Just like a chick breaks out of its shell, Jesus broke free from the tomb. He showed that life is stronger than death.

The Bunny tells the children, “Jesus loves you so much that He gave His life for you. And because He lives again, we can live with Him forever.”

The children listen carefully. They learn that Easter is about hope. When we follow Jesus, He is always there to help us start fresh.

The Bunny says, “When you see an Easter egg, remember this: Jesus gives us new life. He wants us to love others and share His joy.”

The children smile and promise to follow Jesus. They know that because He lives, they can have peace and happiness every day.

JESUS LIVES!

So when you celebrate Easter, remember the Bunny's message: Jesus is alive! And because He lives, we can have hope forever.
