Meet Hannah

This is Hannah. She's a happy 7-year-old with shiny blonde hair that bounces when she skips. But do you know what Hannah loves most in the whole wide world? Sloths!

Sloth Friends Everywhere

Hannah's room is filled with sloth posters and stuffed sloths. She imagines what it would be like to have a real sloth as a friend.

A School Assignment

Hannah was assigned to do a book report at school. She decided it would be fun to learn more about sloths and report on what she learned. Hannah read books about sloths and learned fascinating facts. Did you know that sloths sleep a lot and have special claws to hang upside down?

She got an “A” on her report. Her teacher said it was one of the best book reports she had seen

Hannah Disagrees

Hannah hears someone say the word “slothful.” She is curious and wonders what it means. She looks in the dictionary to see the definition. Did you know that it means “lazy!” She doesn’t like that definition. Sloths aren’t lazy. They are just slow.

Hannah's Wish

Hannah closed her eyes and made a wish. She wished to have a sloth adventure all her own. She wanted to learn more about these gentle creatures.

A Surprise Visit

One day, Hannah's dad surprised her with a trip to a sloth sanctuary. There, she met a friendly sloth named Sammy. Hannah's heart raced with joy as she gently touched Sammy's soft fur.

Sloth Snuggles

Hannah spent time with Sammy and his mother, learning about how sloths live in the wild. Sammy even wrapped his claws around a tree branch and hung there! Hannah laughed.

Sloth Art

Back home, Hannah grabbed her crayons and paper. She drew colorful pictures of sloths hanging in trees. She even made a special thank-you card for Sammy.

Sloth Snacks

Hannah discovered that sloths eat a lot of leaves to stay healthy. She helped her mom prepare a special salad just like the one that sloths eat.

Sharing Sloth Love

Hannah wanted to share her sloth love with her friends. She hosted a sloth-themed party with sloth cupcakes, sloth games, and even a sloth piñata. It was a sloth-tastic day!

Slothful Happiness

As the days went by, Hannah never forgot her sloth adventure. She knew that even though she couldn't have a real sloth as a friend, she could still love and learn about them.

And so, Hannah's journey from a curious girl to a sloth enthusiast was a story of wonder, friendship, and the joy of discovering new things. Hannah knew that her love for sloths would always make her heart smile.
