Meet Rue

Meet Rue! She's a joyful 5-year-old girl with dark brown hair that's as shiny as a chestnut. But guess what? Rue loves water and swimming more than anything!

Rue's Water World

Rue's happy place is near water. Whether it's a pool, a lake, or even a bathtub, Rue loves to splash and play. Water makes her smile big.

The Pool Party

One sunny day, Rue's family threw a pool party. Rue wore her favorite swimsuit and jumped into the pool with a big splash! She giggled and splished, and everyone joined in the fun.

Swimming Like a Fish

Rue loves to swim like a fish. She kicks her legs and moves her arms, just like the fish do in the water. She feels like she's a part of their underwater world.

The Water Slide Adventure

At the water park, Rue climbed up the ladder to the top of the water slide. With her heart racing, she slid down with a "weeee!" She splashed into the water below and giggled all the way.

Rainy Day Fun

Even on rainy days, Rue finds ways to play with water. She puts on her rubber boots and jumps in puddles, making the water dance around her.

Bath Time Magic

Bath time is Rue's favorite time. She fills the tub with bubbles and toys, creating a magical water world. Rue's dark brown hair gets all bubbly, just like a fluffy cloud.

Rue's Water Friends

Rue meets new friends at the beach. They build sandcastles and chase waves, laughing as the water tickles their toes.

The Underwater Explorer

With her goggles on, Rue becomes an underwater explorer. She looks at the fish and the shells, feeling like she's in a secret underwater world.

Rue's Swimming Lessons

Rue takes swimming lessons to become even better at swimming. Her instructor teaches her about the different strokes.

Water Wonders

As Rue grows, her love for water grows too. Whether she's swimming in a pool, splashing in a puddle, or taking a bubble bath, Rue's dark brown hair and her heart full of wonder remind her that every day is a chance for a splashy adventure.
