## **Meet Tommy**

This is Tommy. He is a cool 5-year-old boy with blonde hair that shines in the sun. But guess what? Tommy loves superheroes, especially Superman!

## **Super Costume**

One day, Tommy's mom surprised him with a Superman suit. It was just like Superman's suit! Tommy wore it all day, feeling like a real hero.

## **Flying High**

Tommy loved to dream about flying high like Superman. He put on his red cape and pretended he was soaring through the sky, helping people and saving the day

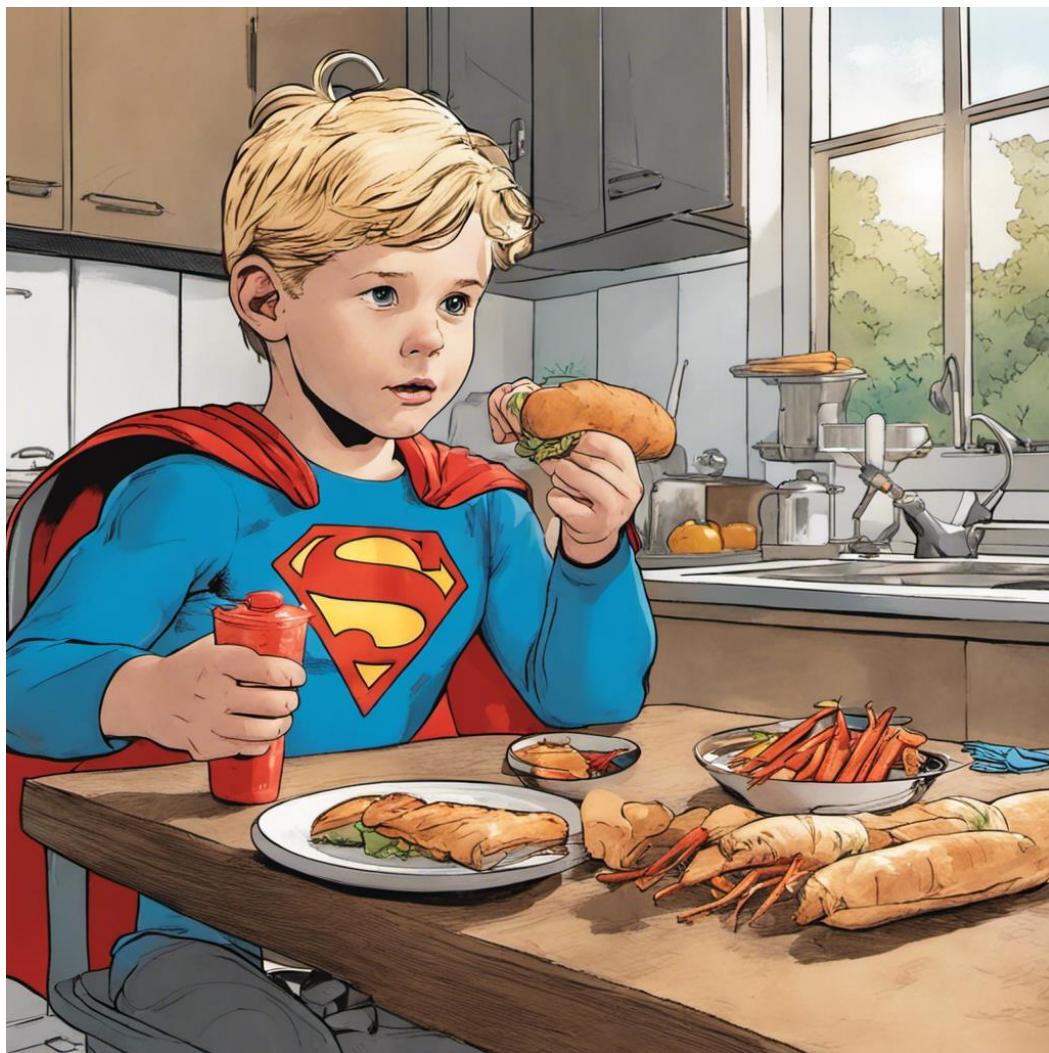

## **Super Friends**

Tommy's room was filled with pictures of Superman and other superheroes. He lined up his toy figures and made them talk to each other about their super adventures.

## **Super Fun**

Sometimes, Tommy's dad would put on his Superman suit and play along with him. They had super fun pretending to stop imaginary bad guys.

## **Super Lunch**

Tommy loved eating his sandwich and carrot sticks while imagining he was in the superhero headquarters. He munched and planned super missions.

## **Super Team-Up**

At the park, Tommy met another super fan, Emily. She loved Super Girl! They decided to team up and have a super playdate.

## **Super Adventures**

Tommy and Emily swung on the playground swings,  
pretending they were flying through the city. They slid down  
the slide like they were zooming to the rescue.

## **Super Drawings**

Tommy and Emily sat down with crayons and paper to draw their own superheroes. Tommy drew a hero with blonde hair just like his, and Emily drew a hero with a jet pack.

## **Super Bedtime**

After a super day, Tommy snuggled into bed. His mom read him a story about Superman. He dreamed of flying with his hero as he drifted off to sleep.

## **Super Smiles**

Every day is a super day for Tommy. He knows that heroes come in all shapes and sizes, and he feels like a hero when he helps his friends and family.

And so, Tommy's journey from a little boy who loved super heroes to a super friend was a story of imagination and friendship. Tommy knew that the best super power was the power to make others smile.
