NOTIFICATION:

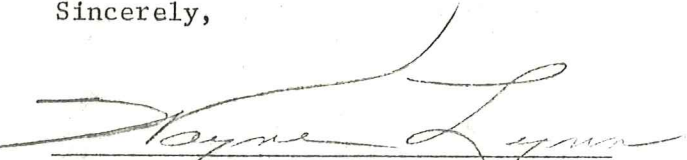

Official approval has been given from the Missionary Department, Correlation Committee and the committee on expenditures to make audio recordings of Book of Mormon selections and other curriculum materials. Initial recordings will be in Spanish, Aymara and Cakchiquel.

Brother Eb Davis, Director of Latin American Languages has recommended Brother Larry Richman to direct the recording of these material in Cakchiquel. Brother Richman has outstanding ability with Cakchiquel. He is currently studying at B.Y.U. and will take part of his summer vacation to do this project.

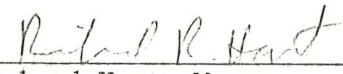

We will have Brother Richman who will be in Guatamala on a B.Y.U. related project stay for about one month to direct the recording of the project. He will make arrangements with recording studios and select and coach native readers.

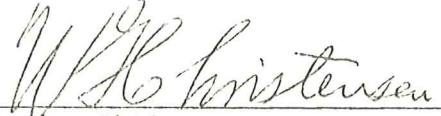

The materials to be recorded are the approved selections from the Book of Mormon, Gospel Principles Manual, and Book of Mormon Selections for beginning readers.
