

# Leo and the Mighty Monster Trucks

By Larry and Teri Richman

## **A Boy Named Leo**

Once upon a time, there was a boy named Leo. Leo had long, shiny blonde hair that flowed like a golden river when he played outside. Leo loved his hair and twirled it around his finger whenever he felt happy.

# Leo's Big Dream

Leo had a big dream in his heart. He loved monster trucks, the ones that roared like lions and raced like lightning. Every night, he imagined driving a monster truck and making it jump high in the sky.

## **Leo's Roaring Room**

Leo's room was full of monster truck posters. Red, blue, green, and yellow monster trucks covered his walls. Leo's bedspread even had pictures of monster trucks racing across it.

## **Leo's Toy Trucks**

Leo had a collection of toy monster trucks that he played with every day. He would make them zoom across the floor, making vroom vroom sounds just like real monster trucks.

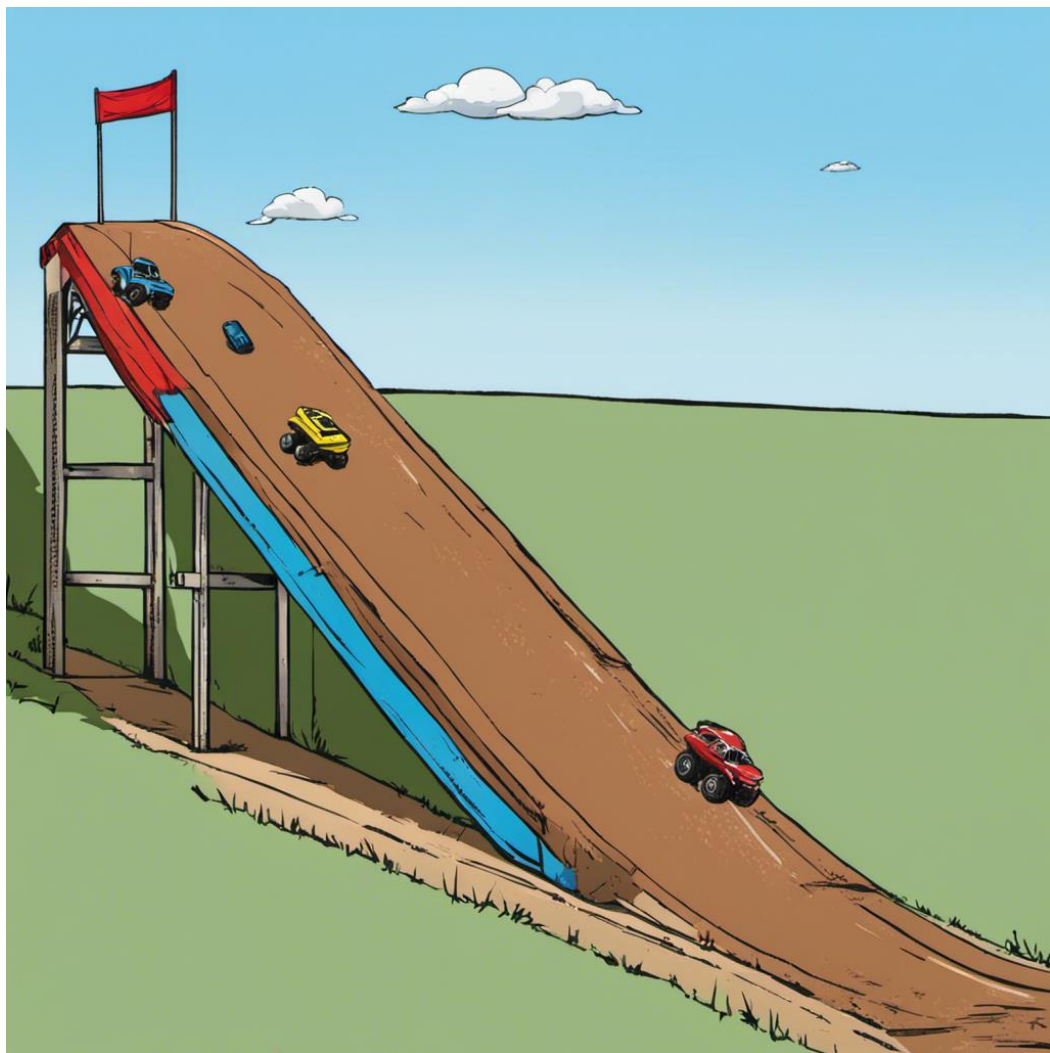

# Leo's Playground Adventure

One sunny day, Leo went to the playground with his friends. He brought his favorite monster truck toy along. They built a track in the sandbox and had a race. Leo's truck zoomed ahead and won the race!

## **Leo's Big Surprise**

One morning, Leo's parents told him they had a surprise for him. They took him to a real monster truck show! Leo's eyes widened as he saw the huge trucks with giant wheels. He clapped and cheered as they jumped and spun.

## **Leo's Day with Dad**

Leo's dad saw how much Leo loved monster trucks. He decided to build a small wooden ramp for Leo's toy trucks in the backyard. Leo and his dad spent the whole day building, painting, and testing the ramp.

## **Leo's Monster Jump**

With the ramp all ready, Leo lined up his toy monster trucks. He pushed the first one, and whoosh! It flew through the air and landed with a soft thud. Leo clapped his hands, proud of his own monster jump.

## **Leo's Rainy-Day Adventure**

One rainy day, Leo couldn't play outside. But he didn't feel sad. He took his toy monster trucks to his bedroom and played with them. He zoomed his trucks around, making up stories about their adventures.

## **Leo's Monster Friends**

At school, Leo met a new friend named Max. Max also loved monster trucks! They talked about their favorite trucks and even drew pictures of them during art class. Leo was happy to have a friend who shared his passion.

# Leo's Big Race

Leo's birthday was coming up, and his parents had a surprise for him. They took him to a monster truck event, where he got to sit in a monster truck and meet the drivers. Leo felt like the luckiest boy in the world!

And so, Leo's love for monster trucks filled his days with fun and adventure. With his long blonde hair flowing in the wind, Leo knew that dreams could come true, just like the roaring monster trucks he admired.
